

AT 2004 • Call for Papers

4th Annual Anti-Tamper Program Managers' Workshop

27-29 April 2004 • Sandia National Laboratories • Albuquerque, New Mexico

Sponsored by:
DoD Anti-Tamper Executive Agent SAF/AQL and
Sandia National Laboratories

This is your opportunity to participate in **"THE PREMIERE EVENT"** for the anti-tamper community. We encourage you to submit an abstract for potential inclusion in the AT 2004 Program Manager's Workshop.

The AT-SPI Office solicits **original, previously unpublished** work on a wide range of **Anti-Tamper** topics of practical value to anyone working to develop, evaluate, or manage systems with AT requirements. Non-commercial papers from suppliers dealing with new or unique tools and methodologies, applications and results are welcome. Papers will be selected for inclusion in the technical program on the basis of appropriateness and quality of data, technical importance, and interpretation of results. **Papers may be UNCLASSIFIED through SECRET/NOFORN; acceptance is based entirely on the information included in the abstract.**

We are currently seeking abstracts on (but not limited to) the following relevant topics*

- AT Evaluation Process
- AT Architectures
- Metrics of Effectiveness
- Protection Technologies for integrated circuits, TR Modules, Secure Volumes, Software, etc.
- Novel Evaluation Techniques
- Threat Assessment Studies
- Case Histories of AT Development

* For session topic descriptions and pertinent information regarding abstract submission, please contact the AT-SPI office at AT-SPI_Workshops@wpafb.af.mil.

CALL FOR PAPERS (Abstracts) DEADLINE ■ 1 February 2004

Abstract Submission:

AT 2004 is accepting abstracts (two-page minimum) including representative images, figures and references. It is highly advisable to include sufficient detail to allow for fair evaluation of the work discussed. Also, include the following information for all authors, presenting author listed first: complete name, title, affiliation with complete mailing address, telephone and fax numbers, and email address. This information must be included with the abstract or it will not be considered for evaluation. **Please contact the AT-SPI office at AT-SPI_Workshops@wpafb.af.mil to submit your abstract. The deadline for final abstract submission is 1 February 2004.**

Presentation Submissions:

All authors accepted into the AT 2004 Program Managers' Workshop are required to submit a full presentation in electronic format by **19 March 2004** to AT-SPI_Workshops@wpafb.af.mil.

Pre-approval to present your work at AT 2004 is required. All costs associated with your attendance will be at your expense (travel, housing, registration).

Classification: SECRET/NOFORN
